

Currimundi Year 1 Semester 1 Overview 2023

Equity and
Excellence
*Realising the potential
of every student*

English: Exploring How a Story Works and Exploring Characters in Stories

Responding to imaginative texts

Students comprehend and respond to imaginative texts (picture books).

Reading and comprehension

Students demonstrate reading accuracy, fluency and comprehension of character development.

Character description

Students create a character description using writing and images.

Maths: In Semester 1 students will consolidate and build on mathematical skills.

Classifying outcomes

Students classify outcomes of simple familiar events.

Understanding teen numbers

Students recognise, model, write and order numbers to 20, locate numbers on a number line and partition numbers using place value.

Using the language of direction

Students give and follow directions to familiar locations.

Describing two-dimensional shapes and three-dimensional objects

Students describe two-dimensional shapes and three-dimensional objects.

Science: Exploring light and sound (Physical sciences) and Living adventure (Biological sciences)

Investigating light and sound

Students participate in a guided investigation designing a toy that makes sound and describe the effects of interacting with it. They sort objects according to criteria and share observations with others.

Describing a habitat

Students describe changes in their local environment and how different places meet the needs of living things. To respond to questions, make predictions and share their observations with others.

The Arts

Drama: Shopping Fun

Students make and respond to drama by exploring the theme of shopping.

Music: Save the World

Students explore a range of songs, rhymes and chants based on the theme of Earth's resources and how they can be used and managed

Health: My classroom is healthy, safe and fun and Our culture

Students investigate the concept of what health is and the foods and activities that make them healthy.

Students explore what shapes their own, their family and classroom's identity.

Daniel Morcombe Curriculum

Feeling safe

Being safe

Responding to unsafe situations

Design Technology: Battle of the Bands

Students explore the characteristics and properties of materials and components that are used to produce designed solutions. They design an instrument with moving parts to use in a class band performance.

Excursions and Incursions

Sea Life

'Sounds Great' party

(Our Under 8s)
