

Currimundi Year 1 Term 2 Overview 2026

English

Unit 2: A Sea of Information (Exploring and creating informative texts)

Students read, view
and comprehend a simple
informative text.

They create an informative text to
report on a familiar topic.

Maths

Unit 2: Number, Algebra and Measurement

Students partition one- and two-digit
numbers in different ways and solve
addition and subtraction problems to 20
using calculation strategies.

Science

Unit 3: Earth and Space Sciences

Students Identify daily and seasonal
changes and describe ways these
changes affect their everyday life.

The Arts

MEDIA ARTS Unit 5: What can you hear?

Students explore the existence and impact of
sound as a representation of settings and
characters in the community.

DANCE Unit 5: Action Stories

Students make and respond to dance by
exploring action stories as stimulus.

Health

Unit 2: Good healthy choices in my environment

Students examine health messages related
to the health benefits of physical activity,
nutritious dietary intake
and maintaining good personal hygiene
habits to help them stay healthy.

Daniel Morcombe Curriculum

Students can describe some typical body clues
for different situations and explain what body
clues mean, making connections between
feelings/emotions and facial expressions.
