Unit 2: Examining informative texts

Students read, view and comprehend a simple informative text.

They create a written and multimodal informative text for an audience.

Maths

Unit 2: Number, Algebra and Measurement

Students partition, rearrange and regroup numbers to help with solving addition, subtraction and multiplication problems involving two- and three-digit numbers, make estimates and determine the reasonableness of calculations and use mathematical modelling to solve practical problems involving twos, fives and tens multiplication facts.

Science

Unit 2: Chemical Sciences

Students classify solids and liquids using observable properties and evaluate the causes of a change in state by posing questions and explaining fairness in investigations.

HASS

Unit 2: Exploring places near and far

Students identify, describe and interpret data about Australian places and explain the importance of making decisions democratically, the role of rules in the community and action in response to an issue.

The Arts

DANCE Unit 1: Celebrating Dance

Students make and respond to dance by exploring dance used in celebrations from a range of cultures.

MUSIC Unit 1: Let's Celebrate, Let's Remember

Students make music and respond to music exploring the songs used in celebrations and commemorations from a range of cultures including music for special occasions around the world

Health

Unit 4: I am healthy and active

Students investigate the concepts of physical activity and sedentary behaviours while exploring the recommendations of physical activity for five- to 12-year-olds.

Daniel Morcombe Curriculum

Students explain and provide relevant examples for 'safe' and 'unsafe' and identify clues that can alert a person to unsafe situations.

They use examples to identify how risk-taking behaviour impacts on the safety of themselves or others and identify risks and justify and apply safe practices.
