

Currimundi Year 5/6 Term 2 Overview 2026

English

Unit 2: Engaging with information reports/Identifying and using informative text structures

Students read, view and comprehend informative texts.

They create a written and multimodal informative text for an audience.

Maths

Unit 2: Number, Algebra, Measurement Year 5

Students find unknowns in equations involving multiplication and division and check the reasonableness of calculations. They use mathematical modelling to plan a fundraising activity to make a profit.

Students convert between 12-hour and 24-hour time.

Year 6

Students find unknowns involving order of operations and solve problems using the properties of prime, composite and square numbers. They use mathematical modelling to create a budget for a class event.

Students interpret and use timetables and plan an itinerary.

Science

Earth and Space Sciences

They describe key processes that change Earth's surface and examples of scientific collaboration.

Students use models to show relationships between the sun and planets in the solar system and explain how Earth's position relative to the sun relates to observable phenomena.

HASS

Unit 2: Connections to places

Students compare the places, people and cultures of Australia and Indonesia, identifying how they are connected.

They explain how resources can be used to benefit individuals, the community and the environment.

The Arts

MUSIC UNIT 2: Around the World with Music

Students make and respond to music exploring the music-making of other cultures through their music journal.

DRAMA Unit 1: Natural disasters

Students make and respond to drama exploring the impact of natural disasters on communities including stories and accounts as stimulus.

Italian

Unit 6: What is character?

Students explore the concept of character through self-reflection and the analysis of character traits.

Health

Unit 2: Healthy Habits

Students explore the concepts of health and wellbeing and the importance of healthy habits as a preventative measure.

Daniel Morcombe Curriculum

Private body parts and body ownership, Reducing Risk Strategies, Safety helpers, Online and mobile phone safety, personal safety using self-confidence skills

Excursions, Incursions and Special

**ANZAC Service/March
Boulder Creek Camp (6)**
