

Currimundi Prep Term 2 Overview 2026

English ★

Unit 2: Exploring informative texts

Students read, view and comprehend a simple informative text.

They create a short, written informative text, using words and images, about a topic.

Maths ★

Unit 2: Number and Measurement

Students partition and combine collections up to 10 in different ways.

To represent practical situations involving quantifying, adding to and taking away from collections to at least 10.

Science

Unit 1: Biological Sciences

Students group plants and animals based on external features

HASS

Unit 1: My family history

Students explore important events celebrated in their lives, and to identify how people and objects help them to remember.

The Arts

DANCE Unit 1: Dancing characters

Students make and respond to dance by exploring characters in stories and rhymes as stimulus.

DRAMA Unit 1: My place

Students make and respond to drama by exploring the school / local community / imagined places as stimulus for process drama and dramatic play.

Health ★

Unit 2: I am growing and changing

Students recognise how they are growing and changing

They identify actions that help them stay healthy, safe and physically active.

Daniel Morcombe Curriculum

Students recognise safe and unsafe in a variety of scenarios.

They assess the safety of a situation using LOOK, SOUND and SMELL safety clues.

Excursions, Incursions and Activities

Book Fair

Junior Sports Fun Day

Tuff CURRA

Under 8's Day activities

In Prep, some learning areas are **taught** and some are **experienced**. Experiencing means that students access teaching and learning in these learning areas and learning is monitored rather than assessed and reported on.

The learning areas that are taught, assessed and reported on in semester 1 have been marked with a star.
